

## TEMPlog® Visitor Sign-in System

The Visitor Sign-in System provides a complete manual entry control solution, from your permanent sign-in log to the identification badges for controlling visitor access.

- Minimize front desk labor: as visitors fill out the log, their information is simultaneously transferred onto the badge—you keep the log, they take the badge
- The badge is temporary, the record is permanent

**CUSTOMIZE IT!**

See the page 29 for more info

Packaging: 100 sheets–1,200 badges  
Expiration: One-Day for badges with indicators only  
\* TIMEspots included for badges with indicators

Please note: Adhesive badges should not be applied to delicate materials such as corduroy, leather, silk, suede and vinyl.

**STEP 1**
