Sign-in System also Available for Schools

School Visitor Sign-in System

The School Visitor Sign-in System provides a complete manual entry control solution, from a permanent sign-in log to the expiring badges for controlling visitor access.

- Minimize front desk labor: as visitors fill out the carbon-backed log, their information is simultaneously transferred onto the badge—you keep the log, they take the badge

Item# 08115

Item# 05489
