

Stop Tampering Before It Starts

Security Tapes

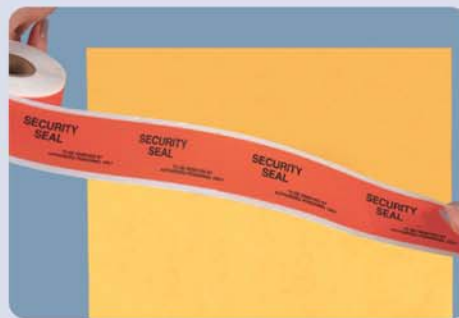

Security tapes are ideal for use on packages, containers, documents, pallets... and more. They cannot be removed or retaped without detection.

Frangible Red Security Tape

- Unique material fractures if removal is attempted
- Special dyes in adhesive will bleed if removal is attempted with solvents

Item# 05252

Packaging: 1 roll
Size: 1.25" wide, 84 feet (3.17 x 2.56cm)

Frangible Red Security Tape

TAMPERTape® Security Tape

- An "OPENED" message appears on item surface when removal is attempted
- Strong adhesive is effective for sealing shipping cartons

Item# 05258

TAMPERTape Security Tape

Tamper evident seals provide document security

Security Seals

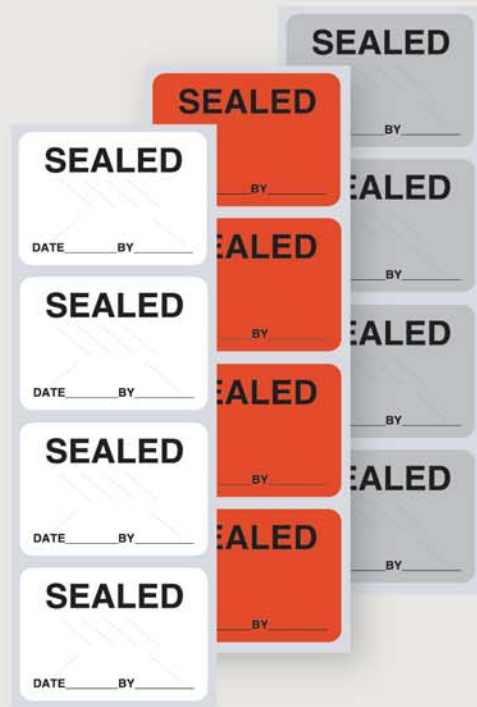

- Protect sensitive or confidential information
- Built in security slits cause the seals to fracture if removal is attempted
- Aggressive permanent adhesive shows any removal attempt
- Metallic seals reveal the word "VOID" if removal is attempted

White Paper Frangible Seals

Easy, low cost document security, fragments upon attempted removal.

Metallic Seals

Layered polyester seals for paper or plastic surfaces will show "VOID" upon attempted removal or if reapplied. Available in red or silver.

Packaging: 1,000 Seals
Size: 1.5 x 2" (3.81 x 5.08cm)
