

## PassagePoint™ Express Software

*All the Necessary Features for Registering and Badging  
Visitors, Contractors and Temporary Employees*

### PassagePoint™ Express Software

No other visitor management product offers such functionality, speed, and ease-of-use. With its impressive upgrade path, PassagePoint Express software is the perfect solution for organizations that need complete visitor management without the extra security features and scalability of PassagePoint Professional and Enterprise software.

PassagePoint™ Express Software  
Item# 06162

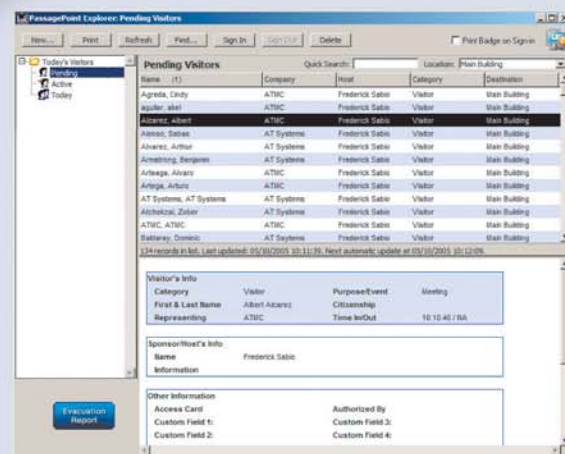

*Printers, badges, and add-ons sold separately*

## FEATURES

### The Explorer Window

The PassagePoint Express software Explorer Window provides a familiar layout of information that users quickly learn without training.

- View a sortable list of pre-registered visitors
- Preview information for each visit and make changes or add additional information
- Create new visits and immediately populate the fields by scanning a business card
- Sign-in visitors and print badges with one click. The Explorer Window provides all the essential information and features in a single, easy-to-use screen.
