

## PassagePoint™ EDU

### Assure School Safety and Security with Visitor Badging and Management

#### PassagePoint™ Software

Educators face many challenges in today's ever-changing education environment. They must assure the safety and security of students and staff by managing visitors, volunteers, temporary employees, parents and suppliers; while complying with security standards and procedures.

PassagePoint™ EDU Software  
Item# 08145

*Printers, badges, and add-ons sold separately*

The solution is offered in PassagePoint EDU from STOPware, the leading publisher of visitor management and badging software. PassagePoint EDU visitor management and badging software. PassagePoint EDU visitor management has been developed for the specific needs of K-12 schools and districts. Now visitors and others are easily signed in and given temporary badges to indicate their presence is authorized. With PassagePoint EDU, school staff can be sure they have accurate information on child custodial issues. Watch lists can be imported to provide on-screen warnings of those who should be denied access to school premises, or to notify staff of VIP visitors. Accurate reports on visitors, volunteers, students and others are now readily available to staff members using PassagePoint EDU.

#### IMPROVES SECURITY

- Badge Visitors to show visit is approved
- Import sexual predator lists
- Use Watch List for denying entry, or for identifying VIP visitors
- Check photos to confirm adult ID before releasing a student
- Print temporary badges for students or staff who've forgotten their ID Badges
- Works with TEMPbadge Self-expiring school badges
